you here!

STUDY ABROAD

It isn't just travel—it's transformation.

At AIFS Abroad, you'll earn academic credit at top universities while immersing yourself in a new culture. Our programs are thoughtfully crafted to help you connect deeply with your studies, your host community, and yourself. With housing, excursions, cultural activities, and on-site support all included, you can focus on learning and living fully—whether you go for a few weeks or a full term.

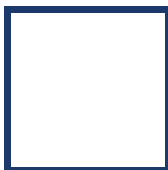

MORE PROGRAM OPTIONS

Study + Internship

Combine academic coursework with a for-credit internship abroad for a unique educational experience.

Study + Travel

Visit multiple international cities while taking a course that focuses on one academic theme or topic.

INTERN ABROAD

Confidence starts before your first day.

At AIFS Abroad, we guarantee internship placements for all accepted students—and provide the tools to make the most of them. Through personalized, 1-on-1 career coaching and CliftonStrengths based assessments, you'll identify your strengths, clarify your career goals, and enter your international internship fully prepared to succeed.
