1 SELECT PROGRAM

Take time to consider when, where, and why you want to study abroad. AIFS Abroad offers a wide range of program options year-round. Browse our programs by city, country, term, or courses offered.

2 PREPARE

Talk to your family or support system about your plans. Make an appointment with your academic advisor and the study abroad office at your school. You'll also want to contact the financial aid office at your home university to see if any financial aid you may receive can be applied to your time abroad.

Create your account to begin your study abroad application process. Once you have submitted your application fee, you will have a small list of tasks to complete with help from your AIFS Abroad Enrollment Team.

4 ACCEPT

Congratulations! Once you submit all the required documents, your application is officially considered complete. You should receive an acceptance decision within approximately two weeks via email.

5 PAY DEPOSIT

You're ready to enroll in your program!
Secure your spot by paying your deposit.

6 GET READY FOR TAKE OFF

You'll need a valid passport. Make sure that you apply for (or renew) your passport as soon as possible. Carefully read all the information provided to you, since you may need to apply for a student visa.
